ST. JOHN THE BAPTIST  
Catholic Church & School

St. John the Baptist Catholic Church and School is a Roman Catholic school that believes and teaches that God's plan for humanity is to make human beings as male or female. That the two distinct genders are each genetically unique and irreplaceable in God's plan.

God's plan is for genetically made men and women to marry and create children, thus forming the family, which is God's first church. No effort to feed hungry people through secularly funded programs changes God's reality or our obedience to that plan or the teaching of that plan.

Many federal laws, rules, court rulings, and prior practice recognize our religious liberties and we fully claim those rights.

St. John the Baptist Catholic Church and School is a member of the Wisconsin Council of Religious and Independent Schools, which has been protecting our religious liberty since 1974, representing nearly 800 schools statewide. WCRIS is the official state chapter of the Council for American Private Education (CAPE), which has affiliates in 36 states.
